25. LIAISON Met with Tim Ingram, House Government Operations Subcommittee on Government Information and Individual Rights staff, and explained that after a careful check of appropriate records, we could find no record that the Agency had received the letter of 22 December mentioned by Chairwoman Bella Abzug (D., N. Y.), in her recent House floor statement. Abzug expressed concern that the Agency had not yet replied. Ingram said he would check their records and a member of the staff will get back in touch with me. 25X1
